Hi Rob,

Just sent you a text as well. I produce GMA and ABC News. Hope you're having as a good a weekend as possible considering.

Reaching out because I was wondering if Governor Haley would be available to be on GMA tomorrow morning at 6:30am EST to give us an update on the floods.

Please let me know if this is a possibility, truly appreciate it Rob, thanks. Best way to reach me is by cell at 917.554.1115.

Thanks so much,

Shah Rahmanzadeh
