Subject: Senators to Meet

Attachments: 4022\_001.pdf

---

John,

Thanks for your offer. Attached are the remaining 11 Senators I need to introduce myself to.

For the Medical Affairs Committee members, I sent them each an introductory letter, spoke to all of them or left hand written notes in their office for those I missed when I was down on Jan. 26 and then followed up with emails documenting the visits.

For the rest I spoke to in person, I followed up with emails.

Hopefully after the hearing, I will have the opportunity of catching the 11 at 11:00 outside chambers or before in their office.

Any further suggestions are welcomed.

Best regards, Chuck.

Mr. Joye,

Thanks for the voicemail. We want to help you get in touch with all the Senators that we haven't yet reached out to. When you get a chance, could you identify the remaining senators that we need to reach prior to confirmation?

I've attached a simple checklist for your convenience.

Thanks,  
John
