Governor Haley,

I represent Perry Eichor. A year ago you suspended him from his job as Simpsonville mayor because he had been indicted on three charges arising from a single incident.

Last week a jury found him guilty on two indictments and not guilty on the other. He was found not guilty on the only felony charge. Neither of the remaining charges is a crime of moral turpitude.

I would ask you to withdraw Mayor Eichor's suspension.

If you need further information, please let me know.

Thank you.

Respectfully,

Stephen J. Henry
