Subject: Realtor.com Reporter - Peter Ortiz

Hi Brian - It was good speaking with you. As mentioned, I'm a reporter for Realtor.com and working on a story that will give our readers some insight/info/color on governors mansions across the US. Below is a list of some categories, but if there is other information you have that doesn't fit in these categories, please share. Thank you again and look forward to hearing back from you.

Deadline - If I could hear from you before or by Wednesday, Aug. 3 that would be great Thank you.

- biggest mansion

- smallest

- most bathrooms (or other more interesting feature)

- number of rooms

- most visitors

- best/famous guests

- quirky features

- coolest amenities

- oldest

- dollar value

- cost to maintain

- number of staff

Sincerely,

Peter Ortiz
