Thank you again.

Sincerely,

Patricia West

P.S. The gentleman  
was very rude always  
to me, and he was  
intru'stful and deceitful  
with many ways. It  
may do the gov't. well  
to check into the policies  
of the National Bureau!

Dear Mr. Smith,

Finally, my aunt's  
hard-earned money was  
returned, and I really  
think your letter helped  
the most.

You have proven yourself  
to be a true, caring  
person and a true  
friend and far more  
than a public servant.

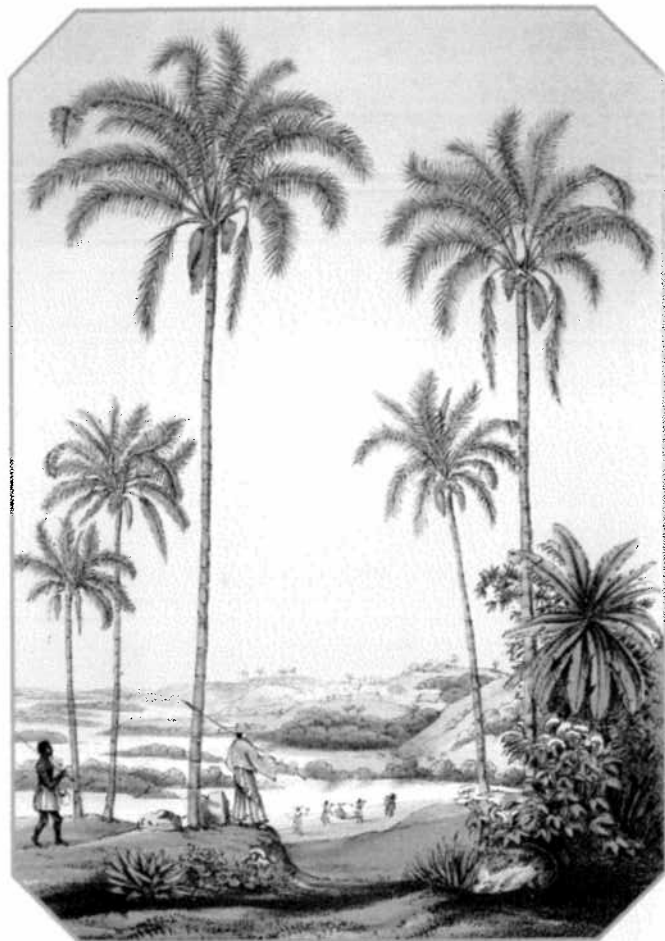

May the Lord reward you  
in all your special ways.
