---

I have a morning meeting and one at 1 tomorrow. But I am free 10:30 - 1 and after 2. And I am free Monday except 11:30-12:30.

I keep my schedule pretty up-to-date on the calendar if you use the scheduling assistant to see blocks - not sure if you use that.

We should include Brandon in the meeting as well.

When can we all get together to discuss detail reimbursements and the flight log? It would great to do this sooner than later, since we have a lot of upcoming travel including tonight.

Thanks,  
Katherine
