Maam my name is Johnny Ray Clark, I'm currently incarcerated at Dorchester County Detention Center. I am writing you today because of the things that are happening here in Dorchester County. Well I'll first start of what all happening here at the Jail, you have C/O's that are coming to work high as crap, there is favoritism such as Black doing everything for their own color. Now I'm far from being Racial, but that is'nt far to us inmates. Now another thing is that the officer won't even help us. We all Literally have to beat on the doors to get any type of help. I mean this is Ridiculous, yes I may be in here (Jail) on a charge I shouldn't be in here on I called the cops and I get arrested. We sit here for months before we go to court and maybe even years.

I'm trying so hard to get my life straight and something happens. If there was a way to go to court they offered me to leave SC and not come back, I would take it. I'm from Elizabeth IN and I would go back so I could take care of my Grandmother because she isn't doing to good. Her health is Really bad and I can't deal with it. She Raised me because my mother and Father was not around, and if something happened to her while I was here who know what would happen. I just want to go back home. I'm sorry for bothering you but maybe this would help me and other people here at the Jail.

Please take this into consideration.

Sincerely: Johnny Ray Clark
