Thank you so much for this! I think the only thing we can do is consider adding this to the boiler plate language for declarations of emergencies moving forward. Other than that, I think this is good. Thanks again and I apologize for the confusion!

Holly, attached is the request from Sheriff Cribb. While the request is coming from Georgetown, I believe the order can waive the requirements for all affected areas, which is probably best. If you prefer something else, please tell me. Again, I apologize for any confusion and sincerely appreciate your help and the Governor's help in taking on this request.

Sincerely,  
Jarrod
