## Birth Services Offered:

- Birth Support
- Postpartum Support
- Mother/baby bonding
- Lactation Support

## Bereavement Doula Support

Healing Grace Childbirth Services provides support the grieving and bereaved mothers and families when a pregnancy, infant or baby loss occurs. For parents going through or facing loss or stillbirth, our doula will be able to visit with you at home or hospital, whatever you may need.

Services our doula provides include assistance with baby funeral planning, in home or hospital ceremony planning, help for dealing with grief and help build a system of support.

---

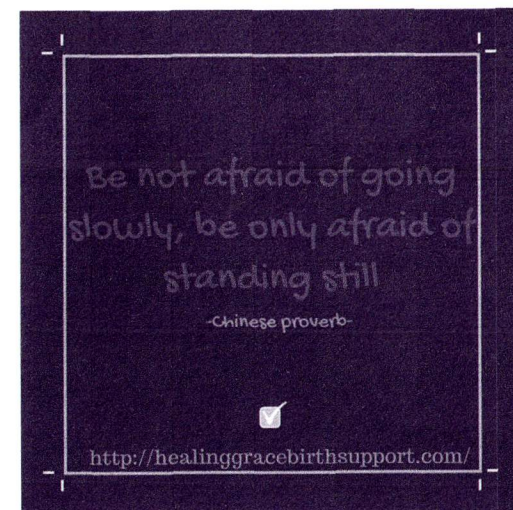

*A death is always hard, no matter when or how it may occur but the death or sudden loss of your baby is always tragic.*

---

When birth outcomes do not go as planned, when a family finds themselves dealing with an unexpected or sudden loss, our doulas provide emotional support for the grieving family.

We will be with the family every step of the journey and continue to provide support for several months to come.

Our bereavement doulas provide education about the various options that families may encounter when saying good bye to their precious child.

## Bereavement Services:

- Support for any pregnancy and/or infant loss
  - o Expected
  - o Unexpected
  - o Fatal diagnosis/carrying to term
- Support from baby's birth to farewell
- Resources/options for funeral/memorial service
