Katherine,

Both of you would probably beat me now because my shoulder is still in repair-mode after my motorcycle accident. I'll be back to normal in another 6 months or so.

VR,

Abe Turner

Thanks for the follow up.

Appreciate it. We should have a bet who can do the most push ups - you, me, Ted.

Katherine,

First of all, I apologize for using a C instead of a K in your first name on last message to you. I owe you 10 pushups when I see you again. Secondly, after you note to me today, I found out that Joe had not sent anything to Rebecca, even though we had discussed this the same day that Rebecca sent out the request. We have reached out to Rebecca and will have our information no later than 1000 hrs tomorrow, Friday, 7 Dec.

Sorry for the breakdown on this task.

VR,

Abe Turner

General,

Please reference the emails below. Do you think we will have the agency's accomplishments by tomorrow?

Please advise. Let me know if I can help.

Thank you,

Katherine

Cabinet heads,

As we look to the new year and the Governor's State of the State Address, our office would like to gather a list of your agency's **top 5-10 accomplishments** from the first two years of the Haley Administration. (Some of your agencies have already put smaller lists together for our office, and so if you have, please continue building upon that list.)

These lists are due to our office by **Friday, November 30th**. If you have any questions, please let us know.

Thank you,

Rebecca
