Subject: NBC NEWS ELECTION NIGHT: Governor Haley

Hi guys,

Hope you are well and had a nice weekend!

I wanted to check in this morning and make sure you knew our interest in speaking with Governor Haley on election night!

Our current network plan is to be broadcasting live from 30 Rock with Savannah, Chuck, Lester and Tom Brokaw all at the anchor table. Our coverage will likely last until 2am ET.

I know its going to be a crazy busy night for everyone, so anything we can do to check in or have a rough game plan about what her media plan may be would be ideal.

Can you hop on the phone to chat this week to discuss?

Talk soon!
Sarah
