Can you confirm (to me) that the LG is planning to attend this? I will follow back up with Tim before the end of the day.

Tim Womack (Appalachia) called me this afternoon to confirm that the LG was, in fact, planning / available to speak on Monday, September 11, 2017 at the SE4A conference. In looking at the time slot he mentioned that morning from 8:45a to 9:20a, they would like for the following people to speak / welcome the crowd during that time:

- Mayor of Greenville
- Darryl (who would make a few remarks and introduce the LG)
- LG

Darryl, I will also need a picture of you and a short bio to include in their event book.
