Ms. Susan Alford, Director  
South Carolina Department of Social Services  
P.O. Box 1520  
Columbia, SC 29202-1520

Dear Ms. Alford,

This letter is a follow up to my original request for budget information dated October 1, 2015. On October 21, 2015, I received a letter from you acknowledging the receipt of my request and stating that the DSS Legal Office would contact me regarding when I would receive the requested documents.

The only contact I have received from the DSS Legal Office is a letter dated October 27, 2015 which advised that I would receive the responsive documents on or about November 23, 2015. It is now a week after that date, and I have neither received the information nor been contacted by anyone.

Please forward to my Senate office immediately any of the information that you have ready and the balance no later than December 31, 2015. The information you are providing will take time to review prior to the Senate's consideration of your budget request for the upcoming year. If not received I would have to communicate with the Senate Finance Committee requesting a delay in making a decision on your budget request until I have an opportunity to review the documents.

Sincerely,

A handwritten signature in cursive script that reads "Creighton B. Coleman".
