FYI

Mr. Luther also send the same email to my Foster Care Review Board Director, Michelle Dhunjishah and Developmental Disabilities Director, Valerie Bishop.

There are two separate requests – written a little different. I will forward both versions.

Subject: FOIA Request

To whom it may concern,

I am a private citizen looking to make a public records request. If this is the wrong address to contact, please provide me with the correct address.

In accordance with the SC Freedom of Information Act (FOIA), I would like to request all documents, emails or any other "public record" as defined in SC Code Section 30-4-20(c) reflecting the name Sen. Vincent Sheheen or the law firm of Savage Royall & Sheheen since January 1, 2011. This request should include all records reflecting all written or oral communications to Mr. Sheheen or his law firm. This request also includes all records related to claims, cases, lawsuits, complaints, administrative actions, or any other dispute where Mr. Sheheen or his law firm represents a party in any such actions. All searches for responsive records should be conducted with search terms including "Vincent Sheheen," "Senator Sheheen," "Mr. Sheheen," and "Sheheen,"

I prefer all documents in electronic format if available. If they are not available electronically, please fax them to 1.866.356.2010. If unavailable by fax or electronically, please contact me and we can figure out how to move forward. You can email ryanluther710@yahoo.com if you have any questions.

Thank you for your time,
Ryan Luther
