Dene,

Hope you are doing well. I used to be Director over at LLR, but I am now in the Governor's office. DEW is looking for some ethics training they can utilize for board members. I suggested that they could utilize the Code of Conduct training the employees watched when the new policy came out, but tweak it a bit. Can I get a copy or a link to that to pass on, or can I refer DEW to you?

Thanks,

Richele
