Join us for the National Home and Community Based Services (HCBS) Conference
held in Washington, DC, August 29 - September 1.

A Time to Dance and Celebrate with Colleagues

We are gearing up for another exciting **HCBS Conference**, and we are looking forward to having you join us!

The National HCBS Conference will include federal, state, and local policymakers and those who administer, manage, and deliver services from these important programs. The Conference always sees a strong presence from U.S. Health and Human Services ranging from CMS, HRSA, SAMHSA, as well as the Administration for Community Living, which now includes the Administration on Aging, the Administration on Disabilities, the Independent Living Administration, the Center for Integrated Programs and the National Institute on Disability, Independent Living, and Rehabilitation Research.

The **HCBS Conference** highlights the work organizations have done to expand and improve services laid out in these programs and to increase the quality of life for older adults and people with disabilities.

Our hard work deserves a bit of celebration! On **Tuesday, August 30th**, the conference will host a reception and dance party honoring all of the work that has been done to serve the long-term services and supports community.

Don't forget: The Early Bird Deadline ends July 31st!
