# RIVERS BRIDGE

South Rivers Site

Home to one of the best-preserved Civil War sites in all of South Carolina, Rivers Bridge State Historic Site marks the location of one of the Confederacy's last stands against General William T. Sherman's sweep across the South. Rivers Bridge State Historic Site is the only park in the South Carolina State Park System that is home to a preserved Civil War battlefield. A guided trail details the Battle of Rivers Bridge with interpretive panels along the way. Ranger-guided tours, which include visits to well-preserved earthworks and fortifications, are also conducted throughout the year.
