Senator Shealy,

We are currently having a budget analyst review the request from Mr. Tidwell. Any additional information regarding the services provided by the organization and their finances as well as the specifics of their request would be very much appreciated. The budget staff are working on budget requests for the upcoming year and are happy to review additional information from SCVAN and will get them all of the information they need to address their request as quickly as possible. I will keep you updated with any new information.

Thank you,  
Haley

Haley and Ted,

I know that you have spoken with Ritchie Tidwell at SCVAN regarding the badly needed assistance and emergency funding needed to keep their programs going. I have attached a copy of the correspondence they shared with me. They mentioned the possibility of utilizing the Attorney General's office as a pass through for these funds if necessary to contract with SCVAN. I am copying Attorney General Wilson on this email so that he can review this information. I feel that the SC

Victim's Assistance Network provides a huge benefit to our state. Please consider all possible avenues in helping with this request.

Regards,

Katrina
