Hello,I am a junior at Presbyterian College and I am also in the air national guard stationed at Mcentire Air Force Base in Eastover SC my major in college is political science.I need to do my internship this summer,and would very much like to work in the military or law environment. I need to work at least 46 hours to accomplish this.Please help me find a job to help me to complete my goal.Working in the Statehouse or a Military Base in my local area would be a blessing.Please help me accomplish this if possible.

Thank YOU Matthew Turner
