Subject: Anda and Mike Mobley ~ Website email from Jackson Mobley

---

Mr. Bryant, I am writing you to inquire about housing options for my brother, Michael. He is currently living with our parents, Mike and Anda in Anderson. They are beginning to age and are now starting to have many problems with handling Michael. I feel that their health both mental and physical is deteriorating faster than normal due to having Michael present in their home. They have applied for assisted living for Michael but only to receive rejection. I am living in Pensacola, FL and am unable to assist them as much as its needed. I am sending you this message in hope that there can be an option for him in the future. If I can be of service or to provide any assistance in this process, please let me know. I thank you for your time and consideration and I look forward to working together with you on this issue. Sincerely, Jackson Mobley
