Nikki Haley on WCBS-NY (Radio) - New York, NY
01/14/2015 06:12:55

... known as their new general manager a day after his state of the state address gov christie will be in south carolina today for the inauguration of gov nikki haley there's also report the christie will sell of the pack by the end of the month as of the speech democratic leaders in new jersey's it was like a seinfeld episode about nothing but the cvs for repeal has scored more from trenton there was no mention of funding the true heroes to an increase in the ...
