Katherine,

Senator Hayes received your email below. Colleen Kaphengst, Executive Director of York County Library, asked him to introduce this legislation. It was previously introduced in 2010 (H. 4590). My understanding is the Greenville County Library System supported this legislation in 2010. She also included the Attorney General's opinion from 2009 on the issue. The link is below.

Katherine,

We have received Senator Hayes' bill regarding expulsion from a library and wanted a little more background on the issue. Would you ask Senator Hayes to provide us with a description of the problem and examples of where this has been an issue? If there is an association or group that we should speak with directly, any such guidance would be appreciated as well.

Thanks,

Josh
