Subject: RE: Andy Shain cost letter draft

Thank you, Cate. We are waiting to hear back from the AP so we can send all three cost letters at the same time (AP, The State, and P&C).

Holly – Do we know whether Seanna is interested in any records?

Subject: Andy Shain cost letter draft

Hey Becca --

I drafted a letter for Andy Shain based on the recent constituent number of 2, 988 total (bringing Andy's total requested page count to 3, 334). His estimated cost is now \$167.30 with the five cents per page, so I included a deposit of \$100.00 in my draft letter just so that the language is already there if a deposit is necessary for his request.

I saved both the Andy Shain and Glenn Smith amended request cost letters in their FOIA folders, with the title as a "Draft" copy. They should be ready for you to review when you are ready to send them out!
