Also, the Longest Day (http://act.alz.org/site/TR?fr_id=9704&pg=entry) is June 21. We've brainstormed and talked with the Alzheimer's Association about the possibility of another walk. Last year, we asked people to sign up for times to walk around the State House. We held a press conference on the front steps during the day. Open to ideas of something similar or any suggestions, but will probably move forward with a plan next week so we have plenty of time to advertise.

Hank,
It looks like the Lt Governor will be in Columbia on June 21 and 22. Will you work with Lily and see if there is a time that he could come over and meet our entire staff. I have had several request from Staff members to meet him.

Thanks
