Good to know that I am in excellent hands!

If there is any way that the certificates could be signed by mid-day tomorrow, that would be ideal. Because of the uncertainties in the European markets after the vote in the UK, we are trying to get the offering document out tomorrow afternoon. Thank you!

Jeremy

Good morning! Just wanted to touch base about the Governor's Certificate for the JEDA bond issue for Medical Society of South Carolina. We'd like to post the offering document for this bond issue tomorrow. Is it possible that the Governor might be able to sign the certificates today? As always, THANK YOU!

Please find attached the Governor's Certificate for the JEDA bond issues for Medical Society of South Carolina (through a single-member LLC) which has a majority membership interest in Roper St. Francis Healthcare. I am also attaching the support resolutions adopted by Charleston County Council and Berkeley County Council for these bond issues. Can you please have the Governor sign 4 copies of the certificate? Let me know once the certificates have been signed, and I will have them picked up at your office. As always, many thanks for your assistance.
