Tim and Chris,

It was good to see you guys at the Governor's address last week. She did a great job. I am still shocked about the primary election results on Saturday. Attached is the most recent update on the SC UI issue. I think given all the comments in the governor's speech re job creation and lowering the cost of doing business in the state perhaps we should take another crack at the issue. Let me know how best to proceed.

I look forward to hearing from you.
