Subject: meeting with our Executive Director and Deputy Director

Mr. Soura:

I left you a voice mail earlier this afternoon but am also sending this email in case you see it first. Our Executive Director, Dr. Richard Sutton, and our Deputy Director, Ms. Julie Carullo, would like to schedule a meeting with you sometime early next week if at all possible. Topics of discussion are the Accountability Report as well as new appointments to the Commission.

If you would please contact me about this at your earliest convenience, it will be greatly appreciated.

Thanks,
Beth Rogers
