

# COLLEGE of CHARLESTON

April 22, 2016

Dear Governor Haley,

As a higher-ed professor and mother of two young boys, I have a strong maternal desire to not only protect my children from heart-breaking and preventable tragedies, but also to ensure the safety of my college classroom. Therefore, I am writing to voice my strong support for the Brammer/Malloy Bill, which would extend the time to complete background checks on gun purchasers from three to 28 days.

I also strongly support thorough background checks on all gun sales. We need tougher consequences for those who break gun-sale and gun-possession laws.

We need to enact these common sense measures in South Carolina, and across the U.S., for the health and safety of every citizen.

Sincerely, Allison Zaubi
