Hello there,

The DC Promise Neighborhood works with prekindergarten and K-5 students, preventing chronic absenteeism in their community. The seven pillars of the Performance Imperative have played an important role in the success of DC Promise Neighborhood's programs.

Join Kevin Jones, Chief of Programs at the DC Promise Neighborhood Initiative, and Nicholas Carrington, Director of Data and Evaluation, [on Tuesday, July 12th from 3:00pm - 4:00pm EDT](#) for a 60-minute webinar. This webinar will discuss the steps you can take to create "a culture that values learning" at your organization.

The DC Promise Neighborhood Initiative applies the fifth pillar of the Performance Imperative to their work on a daily basis; learn how your organization can too. [Register now!](#)

Hope you can join us!

Diana Parks
Policy Analyst

About This Webinar Series — 5 of 7

The most successful organizations – those that produce positive client outcomes with consistency – cultivate seven core disciplines. This webinar is the fifth in a series dedicated to exploring what each of the seven pillars of the Performance Imperative look like in practice. [Download the Performance Imperative.](#)
