Katherine,

Attached are (1) the maps showing the new Connection Points v. where they were previously and (2) a Fact Sheet (I wanted to call it Myth/Fact but people were concerned about that).

Do you want to let me know your thoughts before I send it over to Lisa for her thoughts? I was trying to get this to Lisa tomorrow (that might be a little optimistic).

Also, we are going to do a resource guide for the senators that lists the UI Connection Point(s) in each senator's district. That is going to take a little longer (another week or so).

Hope you are hanging in there. Give me a call on my cell if you want to talk about this -- 917 968 8555
