Governor Nikki Haley  
Post Office Box 1773  
Columbia, SC 29202

Dear Governor Haley,

Imagine my surprise yesterday when I received your letter of thanks for providing security for your Inaugural activities. The surprise was indeed a pleasant one as it was completely unexpected. In 20+ years as a South Carolina law enforcement officer, I have performed my job for many different functions around the state and have done it proudly and with little complaint. For you to take a moment of your valuable time to thank me for doing my job was extremely thoughtful and considerate. I have to say, it is the first such letter I have ever received from an elected official and I thank you for it.

Sincerely,

A handwritten signature in black ink that reads "Doug Fordham". The signature is written in a cursive style with a large, looped "D" and a long, sweeping underline.
