Subject: Re: Timpson Case

---

Jim would be the only one that could answer this...he is copied. Technically, they are not the Governor's office, they are doa.

I have asked everyone to search their records related to this case, and no one responded with any. As you can see in the attached response to the court, they have provided witnesses to testify about "the Governor's Office involvement." Can we make sure no one in the ombudsman office has dealt with this family.

Thanks, Holly
