Subject: Carolighting Update

Attachments: Governor's Carolighting Program-DRAFT.pdf

Carolighting Partners,

Thanks so much to those of you who have helped with program info and editing. I appreciate your careful review of the program draft as well as the edits and updates you have sent. Attached is the most updated version. As soon as we finalize the info on the pastors and master of ceremonies, this will go to print. But, if there is anything else in the meantime please do not hesitate to email me and we will make necessary changes.

Please note that we shortened the "group sing" carols to one or two verses to allow the performers more airtime on SCETV.

Our big day is right around the corner. Our final group meeting will be **next Tuesday at 9AM at the Convention Center Spires Board Room**. We will have some light breakfast items and coffee. At that time we will have the by-the-minute schedule for review as well as a complete program draft (the official programs will arrive from the printer the Wednesday before Thanksgiving). Lee Ann and I will be sending each of the music directors a recap email with time to report, sound check time, parking info, etc. in the coming days.

Thank you all so very much for responding to all of my emails and questions. Please do not hesitate to contact me if

you need anything between now and our next meeting. As a heads up, I will be out of town over the Thanksgiving holiday weekend, but will be checking cell phone (803) 569-7583 and email. Lee Ann Kornegay will be the point of contact for any immediate needs arise during that time frame.

See you soon.
