Answered

Dear Governor Haley,

Mothers Against Drunk Driving (MADD) respectfully requests a meeting with you or a member of your staff for Tuesday January 31 or Wednesday February 1 for 15 minutes in Columbia.

Myself and some volunteers from MADD South Carolina would attend to discuss MADD's support of S 746/H 4294 expanding South Carolina's ignition interlock law for all convicted drunk drivers. Currently, ignition interlocks are required for repeat offenders in South Carolina. For more information on ignition interlocks, please visit [www.madd.org/interlock](http://www.madd.org/interlock). There are 15 states with laws similar to S 746/H 4294 in place.

If a meeting is possible, please feel free to contact me at [frank.harris@madd.org](mailto:frank.harris@madd.org) or 202-974-2471. S 746 is currently pending in the Senate Judiciary Committee. H 4294 is pending in the House Judiciary Committee.

Thank you for your time for this meeting request.

Sincerely,

Frank
