## South Carolina State Parks

at 12:30:03 on 10/20/2021 UTC

October is Firewood Month for the national Don't Move Firewood initiative! Invasive insects and disease can easily travel in firewood as campers and recreationalists move across the state. State Parks Forester, Rachel Snuggs, urges park visitors to help keep our South Carolina parks healthy by purchasing firewood at your destination or firewood that is labelled as treated and certified. More info at: <https://www.dontmovefirewood.org/>
