A NEW STRONGER DEMOCRAT THAT RELATES TO AND LOVE EVERYONE ON AN EQUAL BASES!

By Robert Ford Senator and Public Servant

To be successful in any endeavor, you have to climb the ladder!

When you start on any job, profession or career, without any training and no understanding of the job, without any previous experience, everyone suffers. This is the major problem with our elected Official of today.

All Southern states have a large Black population! The Democratic Party has dominated the South from the early 1800's until the year 2000.

The Civil Rights Movement ran most of the White Democrats to the Republican Party. In South Carolina, for the past ten years, the Democratic Party has been run by the incompetent and self-serving Congressman James Clyburn and his team.

The South Carolina State Democratic Party's current Chairman is so delusional that he believes he is competent enough to become the National DNC President. These people are beyond belief, incompetent and very delusional!

The Party has not won a Statewide Election under Clyburn's leadership in the past ten years. Most of Clyburn's followers feel they are better than the people they serve and represent.

When you consider that most Black elected officials in the Southern States are elected by Districts with a large Black population and these Officials don't have any idea what to do when once they are elected.

This is why there are monumental problems in the Black communities, the problems are not addressed by their elected officials. Compounded by the fact that Black Voters keep electing them over and over again! This is a betrayal of the men and women who were willing to die for CIVIL and VOTER Rights.

Black elected officials have not done their jobs.

The Blacks who put the Hillary Clinton together forgot to employ grassroots Grass organizers. Their teams could not relate to everyday Black people. Because of this, there was a low Black Voter turnout in all of the major large cities!

A big Mistake!

I have been waiting for Mrs. Clinton to run for President since 1994.

I am a trained community-based organizer under the late Dr. James Bevels and James Orange, as a United Methodist Church Black Community Developer, I have worked in 23 States.

I have conducted organized movements in the Mid-West, Philadelphia and Miami.
