Text:

96-105. Examinations.

(A) All applicants for initial licensure must take and pass an opticianry competency examination and an examination in practical areas of opticianry. Any applicant who passes one (1) of these two (2) separate examinations but fails the other examination will only be required to apply for and be reexamined on the examination which was not passed, provided that, if the time of filing the application, a period not greater than five (5) years has elapsed since the applicant took the examination which was passed. If more than five (5) years have elapsed, the Board may inquire into the applicant's training, work and study during that period and may require the applicant to retake both examinations, if, in the Board's opinion, the applicant has not had sufficient training, work or study to keep his knowledge or proficiency in the practice of opticianry current.

(1) The opticianry competency examination may be taken as many times and as often as necessary until the applicant passes it.

(2) The practical examination may be taken twice before the following restrictions apply. Upon taking and failing to pass twice, an applicant will not be permitted to take the examination within ~~the calendar~~ a year following notice of the second or succeeding failures. Application to take the practical examination the third and succeeding times shall be accompanied by a statement of additional training, work or study completed by the applicant since the time of the most recent notice of failure of the examination.

(B) All applicants for additional licensure as contact lens dispensing opticians must take and pass a qualifying contact lens examination. The examination may be taken as many times and as often as necessary until the applicant passes it.

96-106. Apprenticeship Registration and Program Provisions.

(A) South Carolina Registered Apprenticeships must:

- (1) be registered and approved in writing before the apprenticeship commences; and
- (2) be for a period of ~~not fewer than two~~ (2) continuous years; and
- (3) be served under the direct supervision of an approved state licensed optician, optometrist or ophthalmologist who does not train more than two (2) registered apprentices at a time, and must be full-time employment training in the practice of opticianry. Full-time is defined as a minimum of thirty-two (32) hours a week

(B) Any applicant desiring to be registered in the apprenticeship program must:

- (1) submit an application on a form approved by the Board, along with the required fee; and
- (2) submit proof satisfactory to the Board that the applicant is a graduate of an accredited public or private high school or secondary school of an equal grade approved by the Board or completed an equivalent course of study approved by the Board; and
- (3) submit an apprenticeship agreement form approved by the Board, providing the name of the South Carolina licensed optician, optometrist or ophthalmologist to be approved as the sponsor to provide the two-year training program, the nature of the program, the proposed curriculum, and the facilities and equipment of the apprenticeship location; and
- (4) submit, upon the request of the Board, proof that the apprenticeship has not been altered or otherwise changed from the Board-approved apprenticeship program; and
- (5) annually submit an evaluation of the apprenticeship signed by the apprentice and approved sponsor.

(C) The state licensed optician, optometrist or ophthalmologist under whom the applicant shall conduct his apprenticeship shall provide the Board with a statement agreeing to supervise the apprenticeship and to conduct training for the applicant and shall have facilities and equipment determined by the Board to be adequate for training in order for the apprenticeship to be approved.

(D) The Board shall consider the following criteria when approving an apprenticeship:

- (1) nature of the apprenticeship program; and
- (2) proposed curriculum; and
- (3) facilities and equipment of the apprenticeship location; and
- (4) documentation of the sponsor's statement to supervise and to conduct training.

(E) Any change in the information supplied in the apprenticeship application shall be immediately transmitted to the Board by the approved optician, optometrist or ophthalmologist responsible for the apprentice.

(F) The Board may extend the apprenticeship for an additional year upon request of the apprentice for good cause shown, and payment of a fee as specified by the Board. The request must be accompanied by a statement signed by the apprentice's sponsor providing the proposed curriculum for the extended apprenticeship period, to be approved by the Board. A written evaluation signed by the apprentice and the sponsor shall be submitted at the conclusion of the extended period. If the apprentice does not take the opticianry examination with five (5) years from the commencement of the apprenticeship, the apprentice must begin training over, but must wait for one year from the conclusion of the apprenticeship before recommencing the training period.

~~(F)~~(G) The Board may rescind its approval of any apprenticeship or apprenticeship program when the curriculum is not being followed or taught, when it determines that the facilities and equipment available to the apprentice are not adequate, when the apprentice is not being properly trained or supervised by an approved sponsor, or when the apprentice is engaged in conduct which would cause the Board to discipline a licensed optician.

96-107. Reinstatement of Lapsed License or Lapsed Apprenticeship.

(A) If a license or an apprenticeship lapses, the optician or apprentice must:

- (1) apply for reinstatement on a form approved by the Board; and

(2) pay all fees for each twelve (12) month period during which the license or the apprenticeship was lapsed; and

(3) submit proof satisfactory to the Board that the applicant for reinstatement has completed continuing education hours for each twelve (12) month period during which the license or the apprenticeship was lapsed; and

(4) pay a fifty (\$50.00) dollar reinstatement fee for reinstatement of the license or the apprenticeship.

(B) If a license or an apprenticeship has been lapsed more than two (2) years, the optician or apprentice must:

(1) appear before the Board to determine if the license or apprenticeship should be reinstated and the terms under which the reinstatement is to be made; and

(2) meet all the qualifications as set forth in Section (A) above.

~~(C) Apprenticeships may only be reinstated when the apprenticeship training has been continuous.~~

Fiscal Impact Statement:

There will be no cost incurred by the State or any of its political subdivisions for these regulations.

Statement of Rationale:

The updated regulations will clarify the waiting period after unsuccessful examination attempts; to clarify that apprenticeship is a training period and not a subclass of practice; and to adjust continuing education requirements to comport with biennial licensure.

Dear South Carolina Board of Examiners in Opticianry,

I am writing you today to ask for your acceptance to join the apprenticeship program for opticians. I have had the pleasure of working in optics for a combined four years through Lenscrafters and now Eyemart Express. I have learned so much about optics far beyond the scope of just selling glasses. I have learned how much of a difference seeing can make for someone who once believed their normal was how the world really looked. The joy I have experienced from watching a child put on a pair of glasses and seeing things they never knew were there is unexplainable.

As an individual who wears glasses as well I know the pros and cons of glasses on a personal level. My own sight is what led me to want to learn as much as I could about optics from the start of the sale, making the glasses, and closing at the dispense. Even with being able to successfully complete that goal I still feel there is so much more I can learn and do in the optical field. I feel that to be able to do all of the things I know I can achieve in optics being an apprentice and ultimately becoming licensed would be my next steps.

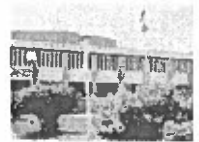

With all of my triumphs there has also been downfalls. I have made mistakes in the past that have created barriers for me. In September of 2009 I was convicted of six counts of felony forgery and one count of crime against a financial institution. For these crimes I completed several years of probation and paid all court-ordered restitution. I am not proud of the decisions I made at that time in my life that brought about these charges. I will not sit here and make excuses either. I have accepted my shortcomings. I have since changed my whole life around. I have removed all things that were toxic in my life. I am happily married and a mother of three beautiful children now. Outside of my personal life I have the field of optics to thank for helping me turn my life around. Being able to make a difference gave me a true purpose. I know I have more to learn about myself as I continually grow. I now have clear goals that I want to achieve. I hope this statement gives you a better glimpse into who I am now and how far I have come. I also hope this statement shows you how I feel about being fortunate enough to practice optics.

Sincerely,

Michella C. Dunont

To Whom It May Concern,

My name is Doris Cole Conrardy. I have known Michella Dupont for 5 years. Since the beginning, Michella has always been honest with the mistake that she made, which was cause for her to have a *felony record* in her name. I have never doubted that she was embarrassed and remorseful for her actions.

I am very selective with Apprentices I am willing to put under my license and I believe in Michella.

I look forward to being able to mentor her as my apprentice. She has worked very hard to learn this craft on the retail side as well as the lab side. Michella is trustworthy enough, that I

requested to our Home Office, that she be allowed to be a Key Holder and have more responsibility. This includes handling cash for all the associates sales. I have confidence that the actions of a young woman will NOT be repeated by the mature woman she has become. She is a devoted mother to her children and instills values of honesty, education and accountability.

Please be gracious to allow her the opportunity to be a future Optician in the State of SC.

Sincerely,

Doris Cole Conrardy

Moncks Corner S.C. 29461

Dear Board,

The purpose of this letter is to offer explanation of some of my actions when I was younger.

In 1993 (when I was 16 years old) I was involved in some burglaries. I plead guilty and served about three years. I was released when I was 19 years old and was immediately on my own. I did pretty well for myself, I enrolled in a computer networking program in 1997. I became certified as a network administrator and was hired by a company to provide software support for the Department of Housing and Urban Development. Everything was going great until an acquaintance asked if I could get him some cocaine. I agreed and was promptly arrested. I plead guilty to possession with the intent to distribute and spent the next three years in prison.

If I ever had an aha moment in my life, it's when I went to prison the second time and lost everything I had been working hard for. I vowed to not let that happen again. So I humbly ask you to allow me the chance to get my license. I've been in this business for 16 years and I'm tired of people asking me why I don't have my license. I'm also good at what I do and would like to have some credibility other than my experience alone.

I have experience in many aspects of the business including surfacing, finishing, sales and managing.

I appreciate your consideration on my behalf and look forward to meeting with the board on June 15th to consider my request to enter into the Optician apprenticeship program.

Sincerely,

Mike Vann

versus

MICHAEL S. VANN, Defendant

This case came before the Court for trial. The Defendant appeared in person with his Attorney, Daniel Lopez. The Commonwealth was represented by Todd Sanders. The Defendant appeared while in custody.

The Court granted, without the objection of the Defendant or his Counsel, the Commonwealth's Attorney's motion to amend the indictment by: changing the date of offense in both Counts from the "20th" to the "11th", the year from "1992" to "1993", the victim's name from "Melissa Hopkins" to "Glenn Poe" and striking the address of the victim, "7602 Maritime Lane, Springfield, Virginia", in Count I.

On April 18, 2000, the Defendant was arraigned upon the amended indictment, and the Defendant, in person and in writing signed by him, entered pleas of guilty to the following offenses:

CASE NUMBER	OFFENSE DESCRIPTION AND INDICATOR (F/M)	OFFENSE DATE	VA. CODE SECTION
96643	COUNT I - STATUTORY BURGLARY (F)	05/11/93	18.2-91
96643	COUNT II - GRAND LARCENY (F)	05/11/93	18.2-95

In consideration of the Defendant's pleas of guilty and the evidence heard, the Court found MICHAEL S. VANN guilty of COUNT I - STATUTORY BURGLARY and COUNT II - GRAND LARCENY, as charged in the amended indictment.

The Defendant, in person, advised the Court that he waived his right to a pre-sentence investigation and report and wished to be sentenced today.

Pursuant to the provisions of Code § 19.2-298.01, the Court has considered and reviewed the applicable discretionary sentencing guidelines and the guidelines worksheets. The sentencing guidelines worksheets and the written explanation of any departure from the guidelines are ordered filed as a part of the record in this case.

Before pronouncing the sentence, the Court inquired if the Defendant desired to make a statement and if the Defendant desired to advance any reason why judgment should not be pronounced.

In accordance with the plea agreement, the Court **SENTENCES** the Defendant to:

INCARCERATION. Incarceration with the Virginia Department of Corrections for the term of: Three (3) years and three (3) months, on each Count, to run concurrently with each other and concurrently with the sentences imposed in Criminal Case Numer 96644. The total sentence imposed is **Three (3) years and three (3) months.**

COSTS. The Defendant shall pay all costs of this case.

CREDIT FOR TIME SERVED. The Defendant shall be given credit for time spent in confinement while awaiting trial pursuant to Section 53.1-187 of the 1950 Code of Virginia, as amended, and credit for time served in Criminal Case Numbers 81105 and 81106.

PUBLIC DEFENDER FEE. Daniel Lopez, the Public Defender, who was appointed to represent the Defendant in this case is allowed a fee of \$636.00. This fee is to be assessed as costs as provided in Section 19.2-163.2(7) of the 1950 Code of Virginia, as amended.

The Court certifies that at all times during the trial, the Defendant was personally present and his Attorney was likewise personally present and capably represented the Defendant.

The Defendant was remanded to the custody of the Sheriff.

Entered on April 20th, 2000.

Good Morning,

As requested in a recent email, I am sending this letter.

Attached is documentation from Massachusetts Division of Professional Licensure regarding a disciplinary action. The Civil Penalty assessment was \$200. This assessment was based on insufficient documentation of CEC's. I had completed my CEC's during the first calendar year of a two year license. I was under the impression that the license was for a two year period based on calendar years. During an audit I found that the license ran from birthday to birthday. Due to this fact the CEC's completed from January to June 8 were not accepted by the board. Disciplinary action was to be the aforementioned fine.

Attached please find:

Copy of the letter with the Civil Penalty Assessment

Copy of the letter for the insufficient documentation.

Copies of the 12 CEC's submitted at that time.

Since this time I have had my CEC's audited with no problems, keeping my license in good standing.

Respectfully,

Michael J. Chace,

Dear April,

I will be seeing my Dr. in May, he has dictated a letter for you to submit before the board for your meeting in June.

I hope that I will be allowed to take the courses online, continually trying to get back to work.

I will pick up the letter at my 3 month visit, and mail it directly to you. Because of the nature, he will only allow me to pick it up, on my visit.

Sincerely ,

Lisa M Corbett

Hi Missy. Please put on the Opticianry Board's agenda an item about acceptance of ABO continuing education hours from a August meeting to be held in the state. AS I will be the speaker and it is being held without the umbrella of the SC Association of Opticians, I need to recuse myself from my normal approval role.
Thanks for your help.
