Hi, I have a question about the scavenger hunt on goosechase. I went to Jones Gap this past Sunday but my phone didn't have access. How do I input the GPS coordinates if my phone won't work up there?

The activities at Jones Gap do not require GPS input. They require that you take and submit a photo.

I don't believe any of the clues require a trip to Jones Gap. I'll need to look at the clues closely.

Huh. The clue was about a fish hatchery

I apologize. We have 2 scavenger hunts. One is for folks who have already become Ultimate Outsiders. Are you an Ultimate Outsider and completed visits to all 47 SC State Parks?

I'm not

It says locator the fish hatchery exhibit and trout pond. SC's first state-owned fish hatchery is tucked away here. It is not hard to find, you will see it, do not fear! Acquire GPS Position

OK -- then, my mistake. Yes, on the general scavenger hunt, you do have to visit the fish hatchery at Jones Gap. The check-in area for the GPS actually extends out to SC Hwy 11 where there is a cell signal, so you can check in

there. Hope that helps.

Thanks. I tried that but it told me it was the wrong location. I think I waited too long before I tried. Will get it next time I am up there. Thanks for helping!
