South Carolina State Parks

at 23:38:00 on 7/18/2017 UTC · 🌐

This Saturday, July 22, help our state parks fight hunger and pack a park truck full of non-perishable items! Events going on statewide, so pack a little extra when you head out to a state park this weekend! <http://southcarolinaparks.com/things-to-do/stories-features-ttd/default.aspx?cat=2&id=49>

In conjunction with our five-month-long food drive, on **July 22, 2017**, our state parks are asking you to help us pack a park truck with food for the food banks located across the state. Each park will have a truck designated for you to help us fill! Look for the South Carolina State Parks truck at any state park on this date, drop off your donations and we'll take care of the rest!

The most requested nonperishable items include:

Canned Vegetables | Canned Meats | Dry Goods | Peanut Butter
Beans | Toiletries | Diapers | Detergent | Plastic and Paper Bags

Note: We cannot accept products that are canned or jarred at home, cans without labels, opened products or glass containers. All donations must be in their original packaging with labels.

For more information on how to donate, visit SouthCarolinaParks.com to contact the park office or ranger station of the park(s) you're planning to visit.
