Subject: FW: Request Regarding MB/HH/Charleston

Hi Katherine, thanks for your help. See below for an explanation of the requests we are making. Also, the attachments hereto include maps with sign locations and a piece comparing shoplifting laws.

Let us know if you have questions or concerns. Betty Coleman, who is copied on this email, provided much of this info so please don't hesitate to contact her if you cannot reach me.

Enjoy the big game tonight! Tom

Highway Signs

1. Myrtle Beach 501: Tanger has submitted an application. If possible, please expedite the application for signage on Highway 31 north and south bound.
2. Myrtle Beach 17 : Application has been submitted - there are spacing issues so we are on a waiting list - check

the possibility of adding more panels to the current sign.

3. Charleston: I-526 east and west bound - no space available on current sign, cannot build additional structures - check the possibility of adding more panels to the current sign.
- I-26 eastbound - no space available on current sign, cannot build additional structures - check the possibility of adding more panels to the current sign.

Visibility

1. Charleston: I-26 - visibility to the Centre Point Sign on I-26 is impaired by foliage--can it be thinned to enhance visibility to sign
2. Charleston: Visibility to Centre Point sign on I-526 is impaired -can it be thinned verify that clearing and maintenance of the tree line is part of the residential development that is scheduled to start in 2014.

Customer Safety/ Shoplifting

All locations Stricter shoplifting laws for the entire state. The higher end brands generate more sales but also more shoplifters. The laws in Georgia have higher consequences so shoplifters cross the state line to shoplift in South Carolina.

Tourism

All locations Continue to promote and support any tourism incentives and opportunities as our centers are located in South Carolina's highly desirable coastal communities.
