Dear Ms. Philpott:

Thank you for bringing this portion of Mr. Timothy Brett's report to my attention. Upon consideration and after talking with the applicant and members of the Delegation, I feel confident that Mr. Brett will be a great asset to the Renewable Water Resources Board of Commissioners.

Therefore, as Chairman of the Greenville County Legislative Delegation, I would like to ask the Governor to move forward with Mr. Brett's nomination for appointment to the Renewable Water Resources Board of Commissioners. Again, thank you and your staff for bringing this to our attention.

Should you have any further questions, please do not hesitate to contact me.

Sincerely,

Wendy Nanney *rs*
