Dear Raman,

It was a pleasure visiting with you last week . Thank you for the information on Taurus and for the warm hospitality. We also appreciated the assistance at the airport; it made our lives much much easier.

I would like to introduce you to Katherine Veldran, Special Assistant to Governor Haley. Katherine has some questions regarding Amristar and Chandigarh and I thought you would be the perfect person with whom she could have a more in depth conversation. Should she ring you on your mobile at +91 98151 83864 or at the office tomorrow?

Thanks for all the help and we look forward to seeing you again in November.
