Do you think the one-pager will be done by about noon tomorrow? I have an early afternoon meeting tomorrow that it would be helpful for, and I'd prefer not to wander off the company line, if possible. Thanks.

Hi,
Sorry this e-mail took so long. Good news is I did find my necktie after hanging up with you.

Attachment is the slide show we just did to the House GOP yesterday (Tuesday.) Slide 27 shows the enrollment changes in Medicaid, with and without expansion. Slide 14 shows the increased costs for Medicaid, again with and without expansion. I defaulted to just sending you this slide deck so you can see "our storyline."

Regarding a summary of the issues with the SCHA study (holes in it), Tony is right now working on a one-pager on that. (He said Stirling asked for it.) So I'll be sure you get that, once done.
