Allen Hall Hunting Island Beach / Lighthouse is a personal favorite. It's rarely crowded and very well preserved!

Peter Bendal Kear I have done that more than once. Honestly we prefer the beach at Hunting Island but we have occasion to go to Edisto (specifically for a pie at Kings Market) so we will get up early and make the trip ending up at Hunting Island.

Janie Alford Legnard My absolute favorite place to go is Hunting Island. I choose that over any other beach. I recommend you go at least once.
