Carolina,

We have confirmed on our end that your email address is on our list, that the address is not blocked, and that the emails are not bouncing. In that context, there is nothing else we can do on our end to get emails to deliver to that account.

I know that y'all are busy, but please have someone on your end check to make sure emails from sc gov news' account are cleared to be delivered.

Thanks for reaching out.

Chaney
