Katherine and Haley,

Can we schedule a meeting with the Governor and David Lane from California? David Lane is a conservative operative; a tremendous guy doing great things throughout the nation, with great connections to influential and wealthy businessman and women. Please pass will you please pass this on to the Governor? I'll send her a text about the email.

Together we can repair the world

**RE: *National Affairs Briefing for Women* in Washington, DC,
Fall 2015**

DATE: August 25, 2015

**We are working on a Fall 2015 event in Washington, DC,
titled: *National Affairs Briefing for Women*.**

**The event is designed to get Christian women to
engage the culture in the public square in 2016, Voter
Registration and GOTV. Our goal is to pull the stinger
out before Hillary and Oprah can make the case to vote
for a woman for president in 2016 regardless of
character.**

**Governor Susana Martinez and Governor Mary Fallin --
plus the seventeen potential Republican "First Ladies"
of 2016 -- would be invited to participate.**

**RNC Chairman Reince Priebus suggested that I
approach SC Governor Nikki Haley a couple of months
ago.**

**Can you schedule a meeting for you and I to meet with
Governor Haley to gauge her interest in Hosting?**
