Subject: 2018 Public Funds Forum: Announcing Global Markets Panel

Join us for three days of informative sessions and networking activities with experts who will cover topics ranging from methods for improving portfolio assessment, identification of market indicators, manager selection, risk management, fulfillment of fiduciary duties, global investment strategies, and approaches for maximizing portfolio returns.

The Global Markets

International experts and experienced asset managers will cover the issues facing investors protecting their rights around the world, including international monitoring, foreign recoveries, claims funding for securities traded on non-U.S. exchanges, and third-party funding.
