I don't think he's visited that particular site yet, unless something was set up independently.

This message (below) was the last time I had communication with them... it was the second time he had cancelled (and looks like he called them directly)... so I'd just make sure he didn't have so tight of a schedule the next go-round.

PS – Dins Day is tomorrow. I will be out of town / in the Upstate and will miss it, but they're having a Columbia drop-in at Hickory Tavern in the Vista from 500p – 700p.

Sherrie,

I just received the email below from the Lieutenant Governor's Chief of Staff. I'm sorry to relay, especially since this is the second time it has not worked out. I tried to call your office, but they mentioned that you were out at a training.

He's still in Greenville. His lunch function ran way over. Please let he know we won't make it today. We'll come by on the next trip to Charleston.
