OK, thanks. Yeah, good to see you too.

One thing worth noting is that we're going to spend almost the whole day on January 27th doing a public forum and then a board meeting for First Steps. So a lot of people may lock into a public position the day before this meeting. You might be better off if you can get this in front of that. Might not be possible schedule-wise, though. For whatever that's worth...
