The regular monthly meeting of the Department of Transportation Commission was held at the Hospitality Suite, Brooks Stadium, Coastal Carolina University in Conway, South Carolina at 10:00 a.m. In compliance with the Freedom of Information Act, the news media was advised in writing of the time, date and place of this meeting.

Present

Bobby Jones, Vice Chairman, Presiding
Hugh Atkins
Marion Carnell
Tee Hooper
Henry Taylor
Marvin Stevenson
Joe Young

Absent

Also Present: H. B. "Buck" Limehouse, Secretary of Transportation
Tony Chapman, State Highway Engineer
Morgan "Mo" F. Denny, Interim Division Director, Finance & Administration
Glennith Johnson, Division Director, Mass Transit

SECTION 1: The Minutes for the meeting of July 18, 2007, copies of which had been previously mailed to each member of the Commission, were approved.

SECTION 2: The Minutes for the meeting of July 19, 2007, copies of which had been previously mailed to each member of the Commission, were approved.

SECTION 3: On motion of Commissioner Young, seconded by Commission Taylor, the Commission unanimously passed the following motion:

At it's July 18, 2007 Commission meeting, the Commission approved objective and quantifiable standards to be followed by SCDOT staff in reviewing and recommending action on Section 57-5-370(N) requests. Pursuant to Section 57-1-360(A), the Commission appoints H. B. Limehouse, Jr. as the Commission's administrative officer to review, approve and certify on their behalf such requests, and he may delegate this duty as he deems appropriate. At each Commission meeting, H. B. Limehouse, Jr. shall report all requests and the actions taken thereon since the last Commission meeting.

SECTION 4: The Commission unanimously passed a motion approving the award of procurement contracts, as shown in detail in the Appendix.

SECTION 5: The Commission unanimously passed a motion approving the action of the Department in requesting the State Materials Management Office to issue a Notice of Intent to award a contract for the upgrade and operation of the Cross Island Parkway Toll system and facility to the proposer with the most advantageous proposal for SCDOT based on price and other evaluation criteria. The motion also included the execution of the contract if, after the expiration of the 10-day posting period, no protest is filed. A copy of the request is shown in detail in the Appendix.

SECTION 6: The Commission unanimously passed a motion approving the request of the Department to advertise and select consultant(s) to provide engineering, testing, and inspection services for geotechnical materials on an "on call" basis. Services will be provided for projects located throughout the state. The funding source will be both state and federal.

SECTION 7: The Commission unanimously passed a motion approving the request of the Department to advertise, select and negotiate "on call" consultants to perform video pipe inspections on a statewide basis in conjunction with the new 2007 Pipe Alternate Specification (SC-M-714), as shown in detail in the Appendix.

SECTION 8: The Commission unanimously passed a motion approving the request of the Department to advertise, select and negotiate with consulting firms to provide, on a statewide "on call" basis, for hydrologic and hydraulic studies and all other associated engineering functions necessary to complete the hydrologic and hydraulic assignments requested by the Department, as shown in detail in the Appendix.

SECTION 9: The Commission unanimously passed a motion approving the action of the Department relating to additions, deletions and corrections to the State Highway System, as shown in detail in the Appendix.

SECTION 10: The Commission unanimously passed a motion approving the request of the Department authorizing the Director of Construction to execute contracts on projects recommended for award from the July 10, 2007 highway letting and shown in detail in the Appendix.

SECTION 11: The Commission unanimously passed a motion ratifying the action of the Department in extending existing construction contracts to include additional work, as shown in detail in the Appendix.

SECTION 12: The Commission unanimously passed a motion ratifying a report by the Department regarding work requests received during the period June 27 – July 31, 2007. The requests meet the criteria described in SC Code of Laws Section 57-1-370(N), with two noted corrections. Request #297856 in Beaufort County should have been listed as "pending" in the "meets criteria" column and request #297577 in Marlboro County should also have been listed as "pending". The complete report is shown in detail in the Appendix.

SECTION 13: The Commission received as information a report regarding work requests received during the period June 27 – July 31, 2007. The requests meet the criteria described in SC Code of Laws Section 57-1-460 and are shown in detail in the Appendix.

SECTION 14: On motion of Commissioner Young, seconded by Commissioner Taylor, the Commission unanimously passed a motion approving the \$632 million funding plan for the Federal Aid Road and Bridge Program and the \$41 million funding plan for Federal Transit Administration Program for fiscal year 2008 for inclusion into the 2007-2012 Statewide Transportation Improvement Program (STIP), as shown in detail in the Appendix

SECTION 15: On motion of Commissioner Taylor, seconded by Commissioner Young, the Commission unanimously passed a motion authorizing the Department to include the \$12.8 SAFETEA-LU earmark for improvements to US 278 from Hilton Head Island into SC 170 in Beaufort County in the next Statewide Transportation Improvement Program (STIP) amendment, upon resolution and response to any substantive comments that may be received.

SECTION 16: On motion of Commissioner Taylor, seconded by Commissioner Atkins, the Commission unanimously passed a motion modifying the proposed bylaws as previously provided to the Commission members and providing for annual election of officers in June of each year with assumption of duties to take place in July. A copy of the approved bylaws is shown in detail in the Appendix.

SECTION 17: The next order of business was the election of a Chairman. Commissioner Atkins nominated Commissioner Hooper. Commissioner Carnell nominated Commissioner Young. Commissioner Stevenson nominated Commissioner Jones. Vice Chairman Jones turned the meeting over to Secretary Limehouse for the election.

SECTION 18: Commissioner Taylor made a motion to hold the election by secret ballot. Commissioner Hooper seconded. Commissioner Stevenson voted against the motion. Since a unanimous vote by the Commission is required for secret ballot, the motion failed.

Secretary Limehouse called for a show of hands. After three rounds of voting with no majority, Commissioner Young withdrew his name from consideration and voted with the majority. Commissioner Taylor abstained from voting throughout. Commissioner Jones was elected Chairman.

Cross Island Parkway
RFP 07-S7442

This Request for Proposals (RFP) was issued on March 1, 2007 for the purpose of selecting a qualified contractor to provide services to maintain and operate the toll facility at the Cross Island Parkway, Hilton Head, S.C., for the South Carolina Department of Transportation.

The proposal broke the requested services into three distinct categories with a possible award by category. The three broad areas were 1) Toll Collection System Integration and Maintenance, Toll Collection, Maintenance and Security of the Facility; 2) Customer Service Center Operations and Violation Processing Software; 3) Actual Operation of the Customer Service Center and Violation Processing. The contract is to be an initial three-year contract with 2 two-year renewals for a potential seven-year commitment. The renewals are the option of both parties.

Proposals were received by the Materials Management Office on April 13, 2007 and an evaluation panel was charged and provided with qualified proposals. One proposal was deemed non-responsive and five were subsequently evaluated. The evaluation process included oral presentations by the offerors. The proposals were rated and it was determined that an award to a single provider was to the best advantage of SCDOT. Negotiations were commenced with the best scored offeror, who also proposed the lowest cost. Negotiations were conducted face-to-face under the guidance of the MMO Procurement Officer responsible for the solicitation.

The original ten-year contract was with Lockheed-Martin and went through several iterations/modifications and vendor name changes. The total current expenditures under the initial contract are \$26,872,342.44 to date. The maintenance fee is approximately \$290,000 per month under the current contract which expires in February, 2008.

The amount of the proposed new contract is:

Base three-year contract	\$8,846,966.00
Years 4 – 5	\$6,143,919.00
Years 6 – 7	<u>\$6,392,133.00</u>
Total	\$21,383,018.00

The new contract will provide a lower monthly maintenance fee of approximately \$240,000 per month, in addition to new state of the art technology, latest iteration software and continuous updates/versions as they become available, rapid toll rate changes, upgrades to workstation operation systems, hardware upgrades, on-going maintenance or replacement of toll equipment as necessary (ex. force majeure or traffic accidents), variable pricing options, a functional interactive website, violations processing, in addition to other benefits over and above the provisions of the current contract.

Request for Consultants to provide "on call" Hydrologic and Hydraulic Engineering Services

The Department requests Commission approval to advertise, select, and negotiate with consulting firms to provide, on a Statewide on-call basis, for hydrologic and hydraulic studies and all other associated engineering functions necessary to complete the hydrologic and hydraulic assignments requested by the Department.

The purpose of on-call consultants is to provide additional engineering services when the Department staff is not able to perform the required services to meet schedules due to manpower shortages or scope changes. The Department anticipates the selection of four to six (4-6) consulting firms for on-call services through a Quality Based Selection process. For each project (i.e. each particular scope of services), the Department and the consulting firm will independently prepare cost estimates in order to facilitate negotiation of the associated fees.

The on-call agreement will cover an approximate three (3) year period, renewable annually, beginning with the date of execution. The services will be used for both state and federal projects.

Removal of Roads From State Highway Secondary System

The Department recommends Commission approval for the removal of certain sections of secondary roads from the State Highway Secondary System. These sections of roads may be removed for one of the following reasons:

1. Abandonment of Relocated Section of Highway
2. Deletions and Removal of Roads from State Secondary System - Roads may be deleted and removed from secondary system by exchanging for equal or less mileage or roads, which have a higher traffic importance. Ownership reverts to local government having jurisdiction (city or county). Approval of deletion or removal by local government is not required.
3. Abandonment of Right-of-way - Right-of-way may be abandoned if it is determined that the right-of-way is not required for right-of-way proposes or if the right-of-way is not needed for Department purposes.
4. Court Order

Correction of Description of State Highways

The Department recommends Commission approval of the correction of the description of sections of State Highway previously added to the State Highway System. The description of roads currently in the State Highway Secondary System may be changed for relocation purposes, to revise the description of the termini to show what was actually constructed by contract, county line changes, or a change in the secondary road number.

Additions to State Highway Secondary System

The Department recommends Commission approval to add sections of road to the State Highway Secondary System for construction and maintenance. The Department may add roads to the State Highway Secondary System by request of the County Transportation Committees contingent on mileage being available under the current mileage cap. Roads may be added to the State Secondary System by the construction of a new roadway, accepting existing county/city roads into our Secondary System by the swap method, or by county line changes. Roads added to the State Highway System must be constructed to Department standards or reviewed for compliance with Department standards.

Rescind Action Adding Roads to State Highway Secondary System

The Department recommends the Commission rescind its previous actions adding roads to the State Highway Secondary System for construction and maintenance. The Department may rescind action on roads, which have not been constructed and formally accepted into the State Highway Secondary System. Roads may be rescinded due to right-of-way being unavailable, problems arising during construction, or funding issues.

Transfer of Road between Secondary and Primary Systems

The Department recommends Commission approval to transfer sections of road from the Secondary System to the Primary System, or vice versa. Pursuant to the provisions of Section 57-5-50 of the Code-of-Laws of South Carolina, 1976, the Commission may transfer any route or section of route from the state highway secondary system to the state highway primary system, or vice versa, when, in its judgment, such transfer is advisable to better serve the traveling public.

Detailed information concerning each of these requests is attached.

EXTENSION OF CONSTRUCTION CONTRACTS

It is recommended that the Commission approve the action of the Department in extending existing construction contracts to include additional work as follows:

LEE COUNTY:

(Commissioner Bobby T. Jones)

Contract of C. R. Jackson, Inc. – File No. 31.36096 – extended to include roadway improvements (File 31.36096) on US 15 for 0.16 miles.

Estimated Cost of Extension

\$ 40,078.89

Funding for this extension has been allocated by the Lee County Transportation Committee.

This extension was authorized by the Department prior to formal approval by the Commission since the adjacent work had reached such a stage of completion that the contractors involved could not accept the additional work unless it were authorized without delay.

BYLAWS SOUTH CAROLINA TRANSPORTATION COMMISSION

Article I Name

The composition and formation of the South Carolina Department of Transportation Commission (hereinafter "Commission") is generally prescribed by the Code of Laws of South Carolina 1976, as amended, Section 57-1-310, et seq. Pursuant to S. C. Code Section 57-1-350(B) the Commission must adopt its own rules and procedures.

NOW, THEREFORE, in order to effectively manage the affairs of the Commission, the following bylaws are adopted.

Article II Offices

The principal office of the Commission shall be located at the Silas Pearman Building, 955 Park Street, City of Columbia, County of Richland, State of South Carolina.

Article III The Commission and its Officers

Section 300. General

The affairs of the Commission shall be managed under the direction of its members. The Commission shall be the general policy making authority of the Department and shall have such duties and exercise such powers as provided by law.

Section 301. Chairman and Vice-Chairman

The Commission shall annually elect from its membership a Chairman and a Vice-Chairman. The election shall be held at the June meeting and the new officers shall assume their duties in July. The Chairman shall preside over the meetings of the Commission. The Vice-Chairman shall preside over meetings of the Commission in the absence of the Chairman.

Section 302. Commission Secretary

The Department's Division Director of Finance and Administration, or his or her designee, shall serve as the secretary for the Commission. The secretary shall be responsible for the prompt and correct recording of all proceedings of the Commission and any standing or executive committees, and for the maintenance of minutes and records of the Commission and its committees.

Section 303. Chief Internal Auditor

In accordance with S. C. Code Section 57-1-360, the Commission shall appoint a Chief Internal Auditor. The Chief Internal Auditor shall serve for a term of four years and may be removed by the Commission only for malfeasance, misfeasance, incompetency, absenteeism, conflicts of interest, misconduct, persistent neglect of duty in office, or incapacity. The Chief Internal Auditor must be a Certified Public Accountant and possess any other experience the Commission may require. The Chief Internal Auditor must establish, implement and maintain the exclusive internal audit function of all departmental activities. The Commission shall set the salary for the Chief Internal Auditor as allowed by applicable statute or law. The Commission shall have the exclusive management and control of the Chief Internal Auditor.

Section 304. Other Commission Personnel

In accordance with S. C. Code Section 57-1-360, the Commission may appoint such professional, administrative, technical, and clerical personnel as the Commission determines to be necessary in the proper discharge of the Commission's duties and responsibilities as provided by law. The Commission may also provide professional, administrative, technical, and clerical personnel as the Commission determines to be necessary for the Chief Internal Auditor to properly discharge his or her duties or responsibilities authorized by the Commission or provided by law. Any personnel hired pursuant to this section shall serve at the pleasure of the Commission.

Section 305. Seal

The Commission adopts as its official seal the seal affixed to these Bylaws. The Commission's Secretary, or such other person authorized by the Commission, is empowered to affix the official seal to official documents of the Commission and to certify official records of the Commission, but only for the purposes directed by the Commission.

Article IV Meetings

Section 401. Regular Meetings

The Commission shall give written public notice of the regularly scheduled meetings at the beginning of each calendar year. The notice shall include the dates, times and places of such meetings. Agenda, if any, for regularly scheduled meetings shall be posted on a bulletin board at the meeting place and principal office of the Commission at least twenty-four (24) hours prior to such meetings.

Section 402. Called, Special, or Rescheduled Meetings

- (a) Called, special or rescheduled meetings of the Commission may be held from time to time. A called, special or rescheduled meeting may be called by the Chairman, the Secretary of Transportation, or a majority of the members of the Commission upon twenty-four (24) hours notice to the members of the Commission. Notice shall include the purpose of the meeting.
- (b) The Commission shall give written public notice of any called, special or rescheduled meetings not later than twenty-four (24) hours before the meeting by posting notice of the meeting on a bulletin board at the meeting place and principal office of the Commission. The notice must include the agenda, date, time and place of the meeting. The notice requirement shall not apply to emergency meetings of the Commission.

Section 403. Form of Public Notice

Public notice of meetings of the Commission shall be given in substantially the following format:

Notice is hereby given that a meeting of the Department of Transportation Commission is hereby called to be held at _____, City of _____, State of South Carolina, on _____, 2__, at _____ o'clock ____m, which meeting shall be for the purpose of considering the following agenda: _____.

Section 404. Notice to Media and Others

The Commission shall make an effort to notify persons or organizations, local news media, or such other news media as may request notification, of the times, dates, places and agenda of all public meetings, whether scheduled, rescheduled, called or special, and the efforts made to comply with this requirement shall be noted in the minutes of the meetings.

Section 405. Open Meetings

Every meeting of the Commission shall be open to the public unless closed for an executive session for the reasons and pursuant to the procedures set forth in the S. C. Freedom of Information Act (S. C. Code Section 30-4-70) and in accordance with Section 406 below.

Section 406. Executive Session

Members of the Commission may meet in an executive session closed to the public for the following reasons:

- a) Discussion of employment, appointment, compensation, promotion, demotion, discipline, or release of an employee or appointee of the Department or Commission.
- b) Discussion of negotiations incident to proposed contractual arrangements and proposed sale or purchase of property, the receipt of legal advice where the legal advice relates to a pending, threatened or potential claim or other matters covered by the attorney-client privilege, settlement of legal claims, or the position of the Commission in other adversary situations involving the assertion against the Department of a claim.
- c) Discussion regarding the development of security personnel or devices.
- d) Investigative proceedings regarding allegations of criminal misconduct.
- e) Discussion of matter relating to the proposed location, expansion, or the provision of services encouraging location or expansion of industries or other businesses in the State.

Before going into executive session the Commission shall vote in public on the question and when the vote is favorable, the presiding officer shall announce the specific purpose of the executive session as identified in items (1) through (5) above. No vote may be taken in executive session. No action may be taken in executive session except

to adjourn or return to public session. The members of the Commission may not commit to a course of action by a polling of members in executive session.

Section 407. Quorum

A majority of the members of the Commission shall constitute a quorum for the transaction of business at any meeting of the Commission; but, if less than a majority is present at any meeting, a majority of the members present may fix the time in which to adjourn, recess, or take measures to obtain a quorum.

Section 408. Conduct of Proceedings and Order of Business

The Chairman, or in his or her absence, the Vice-Chairman, shall preside over meetings of the Commission. The rules contained in the current edition of *Robert's Rules of Order Newly Revised* shall govern the Commission in all cases they are applicable and in which they are not inconsistent with these Bylaws and any special rules of order the Commission may adopt. At each meeting the order of business shall be as follows:

- a) Calling the roll, determining the members present, determination of quorum;
- b) Adoption of the agenda.
- c) A reading and disposition of unapproved minutes from prior meetings;
- d) Report and recommendations of the Secretary of Transportation;
- e) Report of standing committees of the Commission;
- f) Disposition of unfinished business;
- g) A presentation and disposition of new business on agenda; and,
- h) Adjournment.

Section 409. Voting

- (a) All members of the Commission, including the Chairman, are eligible to vote on all matters that come before the Commission.
- (b) The act of the majority of the members of the Commission present at a meeting at which a quorum is present shall be the act of the Commission, unless the act of a greater number is required by law or by these bylaws. All adopted policy decisions, directions, and instructions are to be conveyed on behalf of the Commission by the Commission's Chairman or, in his absence by the Vice Chairman, to the Secretary of Transportation.
- (c) Proxy voting shall be allowed only under the following conditions:
 - 1) Two-thirds of the members must be present in person, and
 - 2) The proxy shall be in writing, shall identify the specific issue for which the proxy is given, and shall specify the vote that is to be cast.

Article V Commissioner Compensation

Members of the Commission shall receive such per diem, mileage, and subsistence as is provided by law of members of boards, commissions and committees while engaged in official business. "Official business" shall constitute the rendering of public service related to the office of Commissioner and must be approved by the Commission Chairman.

Article VI
Officers of the Department

Section 601. Secretary of Transportation

As provided by S. C. Code Section 57-1-410, the Secretary of Transportation shall be appointed by the Governor with the advice and consent of the Senate and shall serve at the pleasure of the Governor. The Secretary of Transportation shall receive such compensation as may be authorized under the provisions of S. C. Code 8-11-160 and for which funds have been authorized in the general appropriations act.

The Secretary of Transportation shall be the Chief Administrative Officer of the Department. The Secretary shall carry out the policies defined by the Commission and shall administer and supervise the internal operations and management of the Department, with the exception of the Chief Internal Auditor and any other personnel hired by the Commission. The Secretary shall have the following powers and duties:

- a) As provided by S. C. Code 57-1-450, appoint a Division Director for each of the three statutory divisions of the Department, who shall serve at the pleasure of the Secretary and recommend a salary for each Division Director as allowed by law. All other personnel of the Department shall be appointed, promoted, disciplined or removed by the Secretary under a Merit System of Personnel Administration, job classifications and pay grades in accordance with the State Personnel and Classifications Plan and the State Employee Grievance Procedures.
- b) Preside at all executive staff meetings at which he or she is present.
- c) Be responsible for the administration of State personnel policies and general personnel policies which are approved by the Commission.

- d) Have the sole authority to employ and discharge Department employees, subject to such applicable laws, applicable personnel policies and funding available for that purpose, with the exception of the Chief Internal Auditor and other personnel hired by the Commission.
- e) Have the responsibility of executing policies, directives, and actions of the Commission, either personally or by issuing appropriate directives to Department employees.
- f) Have general supervision over and direction of all other officers and employees of the Department, with the exception of the Chief Internal Auditor and other personnel hired by the Commission, and see that their respective duties are properly performed.
- g) Operate and conduct the day to day business and affairs of the Department according to the overall policy as set forth in the orders and resolutions of the Commission, and according to the Secretary's own discretion, whenever and wherever it is not expressly limited by such orders and resolutions or by law.
- h) Execute agreements and contracts in the ordinary course of the Department's business on behalf of the Department, provided Commission approval is obtained as required by law.
- i) Such other powers and duties as prescribed by law.

Section 602. Divisions of the Department

In accordance with S. C. Code Section 57-3-10, the Department must be divided into such divisions as the Commission may prescribe, but must consist of the following principal divisions: finance and administration; construction, engineering, and planning; and mass transit. The Commission may establish other divisions, or ancillary or service divisions as may be necessary for the efficient and economic operation of the division and to carry out the functions and purposes of the division.

Section 603. Division Director for Finance and Administration

The Division Director for Finance and Administration shall be appointed by the Secretary and shall serve at the pleasure of the Secretary. The responsibilities and duties of the Division Director for Finance and Administration must include, but not be limited to, the following:

- (a) Financial planning and management;
- (b) Accounting systems necessary to comply with all federal and/or state laws and/or regulations as well as all policies established by the Comptroller General;
- (c) Administrative functions, including recording proceedings of the Commission and developing policy and procedures to insure compliance with these policies and procedures.

Section 604. Division Director for Construction, Engineering, and Planning

The Division Director for Construction, Engineering and Planning shall be appointed by the Secretary and shall serve at the pleasure of the Secretary. The responsibilities and duties of the Division Director for Construction, Engineering and Planning must include, but not be limited to, the following:

- (a) The development of statewide strategic highway plans; and
- (b) The direction of highway engineering activities, including planning, design, construction, construction oversight, operation and maintenance of state highways.

Section 605. Division Director of Mass Transit

The Division Director of Mass Transit shall be appointed by the Secretary and shall serve at the pleasure of the Secretary. The responsibilities and duties of the Division Director of Mass Transit shall include, but not be limited to, the following:

- (a) Development of statewide mass transit system;
- (b) Coordination of the preservation and revitalization of existing rail corridors; and
- (c) Performance of his or her duties in accordance with the provisions of S. C. Code Section 57-3-40, which sets out the powers and duties of the Division of Mass Transit.

Article VII
Committees, Study Groups, and Task Forces

Section 701. Committees of the Commission

(a) The only purpose of the various committees of the Commission is to make recommendations and give advice to the full Commission on identified issues of concern.

(b) The Commission, by resolution adopted by a majority of its members present, may designate one or more committees, each of which shall consist of two or more members, which committees, to the extent provided in such resolution, shall advise and make recommendations to the full Commission, but the designation of such committees and the delegation thereto of authority shall not operate to relieve the entire commission members, or any individual Commission member, of any responsibility imposed on it or him or her by law. The Committees are hereby authorized to create such subcommittees as are necessary, with such membership as the committee deems appropriate.

(c) Proceedings in committee meetings shall be governed by *Robert's Rules of Order Newly Revised*. A majority of the members of a committee shall constitute a quorum for the transaction of business at any committee meetings. Action of the committee shall require the vote of a majority of the members present at the meeting.

(d) Committee meetings will be scheduled as needed. The Commission shall give written public notice of any scheduled committee meeting at least twenty-four (24) hours prior to such meeting. Such notice shall contain the date, time, and place of such meetings and the

agenda, if any. The Commission shall make an effort to notify the news media in advance of any scheduled committee meeting.

Section 702. Study Groups and Task Forces

The Commission, by resolution adopted by a majority of its members, may establish and appoint members to a study group or task force to examine and report to the Commission on issues which would most appropriately be addressed by a number of organizations and interest groups rather than solely by Commission or Department staff.

Article VIII
Amendment of Bylaws

These bylaws may be amended at any meeting of the Commission by two-thirds (2/3) vote, provided that the amendment has been submitted in writing at the previous meeting.
